Texas de Brazil is an authentic Brazilian-style Steakhouse.

Your all-you-can-eat-experience is only heightened with our 70 item seasonal salad area and sushi bar by Chef's choice. A troop of carvers (Gauchos) roam through the restaurant offering guests choice cuts of beef, chicken, lamb, pork, and Brazilian sausage- all slowly spin-roasted and grilled over an open flame.

To further compliment your meal, assorted sides such as sweet fried bananas, garlic mashed potatoes, and the always hard to resist cheese bread are all served tableside.

Your Brazilian dining experience ends with your choice of any of our amazing desserts: Chocolate mousse cake, Brazilian cheesecake, Bananas foster pie; just to name a few.

We take reservations daily at 305-695-7702. Excludes beverages, gratuity, sales tax, and is only valid for Dinner Service from Sunday through Thursday. Miami Beach location only. Must mention when placing the reservation or upon arrival.
